Re: Crown-Indigenous Relations and Northern Affairs Canada's Review of the Licence Renewal Amendment Application for the Arcadia Bay Project, Type B Water Licence No. 2BE-ABP1823

Dear Robert,

Thank you for the February 23, 2023 invitation to review the referenced licence renewal amendment application, submitted by APEX Geosciences Ltd. on behalf of West Kitikmeot Gold Corp., for Type B Water Licence No. 2BE-ABP1823.

Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) examined the application pursuant to its mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown-Indigenous Relations and Northern Affairs Act*. CIRNAC notes that the Aviation Jet Fuel A was not included in the MSDS portion of the Spill Contingency and Fuel Response Plan. CIRNAC has no further comments and recommendations at this time.

If there are any questions or concerns, please contact me at (867) 975-3877 or Joyce.Demers@rcaanc-cirnac.gc.ca or Andrew Keim at (867) 975-4550 or Andrew.Keim@rcaanc-cirnac.gc.ca.

Sincerely,

Joyce Demers, B.Sc.,
Industrial Coordinator
