RE: NWB Technical Review of 2023 Annual Report for the Arcadia Bay Project; Water Licence No: 2BE-ABP2328

Dear Elliot Holland and Tara Gunson,

The Nunavut Water Board (NWB or Board) has completed the technical review of the 2023 Annual Report (Report) for the type B Water Licence No: 2BE-ABP2328.

On June 25, 2024, the NWB acknowledged the receipt of the Annual Report for the year 2023 and provided it to the Kitikmeot distribution list for information. No comments have been received to date.

The technical review of the Report found that the information addresses the requirements of the Licence. The NWB notes that there were no exploration activities conducted at the Arcadia Bay Project in 2023. No water uses or waste disposal activities occurred in 2023.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 (extension 32) or nidhi.singh@nwb-oen.ca, at your earliest convenience.

Sincerely,

Nidhi Singh
Nunavut Water Board,
Technical Advisor
