

Emergency Response Protocols

(Place visibly at all work stations)

The procedures herein are intended to provide personnel on the **ANGILAK PROPERTY** with a clear stepwise approach to respond to human health and safety emergencies.

This document provides important contact information for a range of community, medical and transportation services that may be mobilized in the event of an incident.

2018 Exploration Program

The **NUTAAQ CAMP** is the name of Angilak Property field camp. The **Nutaaq Camp** has a Level 3 First Aid Attendant on site and is equipped with a Level 2 First Aid Facility.

For emergency purposes the Nutaaq Camp site is equipped with an office based HSE Internet + Voice telephone, an Iridium hand held satellite telephone and a VHF radio base station. All work crews carry a VHF hand held radio and a GPS. Iridium phones and hand held radios are stationed at the drill rig and the drill site core shack.

A Bell 206 L4 Long Ranger helicopter or similar is based on site and is equipped with VHF radio for communication with ground crews that also carry an Iridium satellite phone for emergency communications.

In the event OF AN EMERGENCY:

1. Immediately contact the Nutaaq Camp Office by satellite phone or by radio.

NUTAAQ CAMP: 604-759-4750

- Identify yourself and your location
- The nature of the incident and the injuries,
- Number of people involved and any other important details.

The Level 3 First Aid Attendant is the Responsible Person on site.

Kivalliq Energy Corp	C.O.O	Andrew Berry	604-765-1892
Kivalliq Energy Corp	President	Jeff Ward	604-763-8723
Discovery Mining	Responsible Person	Malcolm McLean	867-920-4600
Great Slave Helicopters	Responsible Person	24 Hour Dispatch	867-873-2081

Once notified, the Responsible Person (or Alternate) will be responsible to determine what further actions are necessary.

Determine if medical evacuation is required.

CALL BAKER LAKE HEALTH CENTRE: 867-793-2816

Considerations: Nature/seriousness of injury, weather, daylight, helicopter access.

- Initiate Emergency Ambulance by contacting the Baker Lake Health Centre who will determine if pickup is required.
- Transport sick or injured personnel to Baker Lake by, either fixed wing or helicopter if required.
- Liaise with Baker Lake medical / emergency personnel and mobilize other emergency services, as required.
- In the event of a serious injury or incident that involves an employee of firms under contract to Kivalliq Energy Corporation, the senior manager at the contracting firm must be notified immediately.
