Dear Mr Kharatyan;

**RE: NUNAVUT WATER BOARD 2017 ANNUAL REPORT, KIVALLIQ ENERGY CORPORATION
- ANGILAK PROPERTY, NWB Water Licence No.: 2BE-ANG1318**

Kivalliq Energy Corp. is pleased to submit their Nunavut Water Board (NWB) 2017 Annual Report. The attached document contains the following:

- Kivalliq Energy Corp Angilak Project NWB 2017 Annual Report Executive Summary in English and Inuktitut
- 2017 NWB Standard Form for Annual Reporting
- 2018 Spill Contingency Plan
- 2018 Abandonment and Restoration Plan

No exploration program was conducted at the Angilak Property in 2017. An annual property visit was conducted on June 26, 2017 at which time a camp maintenance visit was deemed necessary. From July 15 to July 20, 2017 a three-man crew performed camp maintenance.

No water was pumped for camp use in 2017. Less than 0.1 cubic metres of water was collected in buckets for cooking and washing dishes for the five day camp maintenance program. There was no drilling conducted in 2017.

Please don't hesitate to contact me should you require any further information of if you encounter any issues with the documents attached.

Regards,

Andrew Berry
