Attached please find a map updating Kivalliq Energy Corporation's Angilak Project mineral claims pertaining to NWB Water Licence 2BE-ANG1318.

This update pertains to new claims acquired in 2012 that are adjacent to the existing project area. The addition of the new claims does not extend the spatial extents of the project area beyond those (four corners) indicated in the current licence. No change in water usage is contemplated.

Kind regards,

Maria
