---

Hello Phyllis,

Sorry for that. Each agency or contractor uses different coordinate systems.

The Lat –Long coordinate for the amended camp location request is:

62 degrees, 34 minutes, 17 seconds North

98 degrees, 27 minutes, 20 seconds West

As an aside, you can check or convert coordinates in Google Earth. From the Tools pull down at top, select options and you can switch between different systems. The coordinate, elevation and altitude of your cursor is shown at the bottom of picture. Pretty handy.

Jeff

**Importance:** High

Thank you for the info Jeff – would it be possible to provide these coordinates in Lats and Longs (degrees, minutes, seconds). I am not able to convert at this end. Much appreciated.

Regards,

Hello Phyllis,

Attached is a letter containing the final coordinates for a proposed new camp location, with a map and some photos. Please let me know if you need anything else and thank you for your assistance.

Regards,

Jeff Ward

**Subject:** 2BE-ANG0813 Request for amendment

Good afternoon – as a followup to previous emails, just checking for an update on when the Water Board may expect to receive the necessary documents to complete the above file amendment, received on April 20, 2009.

Regards,

Phyllis Beaulieu
