

Dear Sophia, Phyllis

RE: FW: 2BE-ANG0813 Amendment - Kivalliq Energy Corp. (Relocation/Remote Camp)

The Nunavut Planning Commission received a notice by email from the Nunavut Water Board on October 22, 2009, a request to conduct a conformity determination on the above noted project proposal. This letter is a confirmation that the proposal to relocate the camp will not require a conformity determination.

The terms to which the proponent agreed to in its conformity determination on April 2008 under the KVL 308 C09/2BE ANG0813 are still in effect and must be part on any new authorization issued. Any questions concerns, please do not hesitate to contact me at 867 857 2242.

Thank You.
