RE: Acknowledgement of Receipt of Annual Report for Angilak Project

Dear Jeff Ward:

Thank you for submitting Kivalliq Energy Corporation's 2008 Annual Report for the Angilak Project to the Nunavut Impact Review Board (NIRB or Board) as recommended in the July 31, 2008 Screening Decision Report.

Term and Condition #3 of the Screening Decision Report Monitoring and Reporting Requirements recommended the following:

3. The Proponent shall submit a comprehensive Annual Report to the NIRB, with copies to INAC, GN-DOE, EC and KIA by January 31st of each year of project activities. The report must contain, but not be limited to, the following information:
 - a. A summary of activities undertaken for the reporting year;
 - b. A work plan for the following year, including any progressive reclamation work to be undertaken;
 - c. A Wildlife Monitoring Report as described above in item (2);
 - d. A discussion regarding the steps taken (including any baseline work conducted) by the Proponent to thoroughly identify, analyze and manage the environmental impacts and cumulative effects from the project activities, particularly in respect to caribou;
 - e. Site photos;
 - f. Efforts made to achieve compliance with the Canadian Wide Standards for Dioxins and Furans, and the Canadian Wide Standards for Mercury;
 - g. Efforts to implement a comprehensive waste management strategy (especially waste segregation) that is designed to reduce and control the volumes of wastes produced, transported, and disposed of;
-

- h. A summary of emissions from the sewage incineration as per the National Pollutant Release Inventory (NPRI); as well as the following:
 - i. manufacturer, model and year of the incinerator
 - ii. air pollution control equipment used
 - iii. handling procedures for transporting the sewage from the “Pacto Toilets” to the incinerator
- i. A summary of community consultations conducted; and
- j. A summary of how the Proponent has complied with the NIRB terms and conditions contained within this Screening Decision, and the terms and conditions associated with all authorizations for the project.

As part of this submission, the Board received:

- An updated Abandonment and Restoration Plan,
- An updated Spill Contingency Plan,
- The 2008 Wildlife Monitoring Plan.

Upon review of your submission we have concluded that the Annual Report contains the above specified information and there are no deficiencies to note.

Thank you for providing the information requested by the Board. If you have any questions or concerns, please feel free to contact me at info@nirb.ca.

Sincerely,

Tara Arko
Assistant Technical Advisor
Nunavut Impact Review Board
