**Re:** 2BE-ANG0813 – Kivalliq Energy Corporation – Angilak Property

**Existing Water Licence #: 2BE-ANG0813**

### **Background Information:**

Kivalliq Energy Corporation has applied for an amendment to their existing water licence, to increase the use of water from 58 cubic metres to 100 cubic metres to accommodate the use of a second drill.

### **Recommendations / Comments**

INAC has no concerns with an amendment for increased water usage, provided all terms and conditions of the existing licence continue to apply.

Please feel free to contact me at your convenience should you wish to further discuss any part of this submission to the Board. I can be reached at 867-975-4566 or via email, [tanya.trenholm@inac.gc.ca](mailto:tanya.trenholm@inac.gc.ca).
