Dear Ms. Beaulieu:

RE: NWB WATER LICENCE 2BE-ANI0813 (Anialik Project)

I have been reviewing North Arrow's current permits and have found some omissions in reporting and I would like to make existing records current. North Arrow applied for and was issued water lic. 2BE-ANI0813 in the fall of 2008. With regards to this license, I would like to report that we have not carried out any work on this project since the issuance of the aforementioned permit and therefore there is nothing to report for the 2009, 2010 and 2011 field seasons.

For your records please note the change in our head office suite number since previous correspondence.

Please feel free to contact me if you have any questions or concerns at (778) 328-1061 or via e-mail at gord@northarrowminerals.com.

Sincerely,

NORTH ARROW MINERALS INC.
