Subject: Alix Resources Corp. – Arcadia Project – Assignment & Renewal

Dear Mr. England:

The Nunavut Water Board (NWB) acknowledges receipt of your application for license assignment on March 10, 2008 & renewal on December 19, 2007 for water use and waste disposal associated with exploratory drilling and camp operations for the Arcadia Project, in the Kivalliq region. The application can be obtained from our ftp site, **Username: public, Password: registry**, at the following link:

<ftp://nunavutwaterboard.org/2BE%20-%20EXPLORATION/2BE-ARC/>

or by contacting our office. The application consists of the following documents:

- cover letter dated December 19, 2007, received December 19, 2007
- water license application form, received December 19, 2007
- supplementary questionnaire, received December 19, 2007
- maps, received December 19, 2007
- project summary in English and Inuktitut, received December 19, 2007
- Spill Contingency Plan received December 19, 2007
- MSDS Sheets received December 19, 2007
- Letter of authorization January 16, 2008
- Assignment of Licence March 10, 2008

We undertook a preliminary review of your application and conclude that it meets the requirements of section 48(1) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (“Act”). This said, I must inform you that the NWB reserves the right to request additional information and studies pursuant to sections 48(2) of the Act or, alternatively, issue guidelines for the provision of information pursuant to section 48(3) of the Act.

The NWB Technical Advisor assigned to your application may be in touch with you to clarify any technical details related to your application.

Pursuant to Section 13.7.3 of the Nunavut Land Claims Agreement this application is of a class that does not require a public hearing, and is therefore exempt from screening by the Nunavut Impact Review Board, as per Schedule 12-1 of the NLCA.

The Board will not act on the application as required by Section 55(4) of the Act, however; to facilitate the administrative processing of the application the Board requests comments from the regulatory agencies by April 3, 2008.

Finally, by copy of this letter & notice to the municipal distribution list most affected by your application we invite interested persons of the municipalities to make representations. Please note that a Spill Plan & an Abandonment & Restoration Plan was also received with the application and requires review. The NWB may provide additional procedural instructions once the application has been reviewed.

Sincerely,
