To all concerned:

On November 20, 2013 a report of the September 16th inspection was submitted to Ms. Kwong at Vaaldiam (the apparent Licensee) and to Ms. Westcott at Stornoway. As identified in the report, the requirements with respect to reclamation of drill activities have not been fulfilled. Until documentation of this work is submitted as required by the report, a final inspection will not be undertaken.

Eva Paul
