Dear Ms. Becker.

Enclosed with this cover letter, please find the following material:

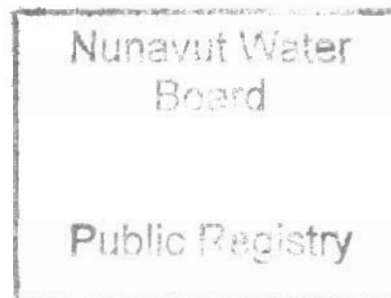

- 1) Water Use Application Form
- 2) Supplementary Questionnaire
- 3) Executive summary in English of proposed program
- 4) Application fee of \$30 payable to the Receiver General
- 5) Location Map of camp and drill sites

The application covers the same camp site as our previous license NWB2ATU9899. I have reapplied for a Land Use License however that application is in process. I will forward license number as soon as it is available. The Inuit translation of the executive summary is currently being completed. This I will fax to you in the next couple of days.

If you have any questions, please do not hesitate to call me. As I do not work out of the Cumberland office my direct email address is gdickson@goldoreresources.com.

Yours truly,
