NUNAVUT WATER BOARD
NUNAVUT IMALIRIYIN KATIMAYINGI

File No: NWB2BAF

May 2, 2002

To: Distribution List

Re: North Central Baffin Project

The Nunavut Water Board received an application for a new water license from De Beers Canada Exploration Inc. for soil sampling and geological mapping.

Notice of this application will be posted in the Nunatsiaq News as well as at local organizations in Igloolik.

The following documents are available through the internet on our ftp site at <ftp://ftp.nwb.yk.com> in the folder "NWB2BAF":

- notice (in English and Inuktitut)
- application form
- supplementary questionnaire
- 1 map
- summary in English and Inuktitut
- operating procedure for using and handling water
- waste disposal procedures

Please note that we also received a Spill Contingency Plan and MSDS sheets along with this application. These reports are being sent to the technical distribution list under separate cover.

NWB2BAF is currently being screened by NIRB, and will be processed by NWB when NIRB completes its determination. Parties involved in NIRB's screening can send their comments directly to NIRB as per their instructions. For all other parties, the Nunavut Water Board is accepting written concerns and comments with regards to this project before **June 1, 2002**.

Sincerely,

Phyllis Beaulieu, A/Licensing Administrator
