Dear Ms. Beaulieu:

Re: Annual Report Required Under Water Licence 2BE-BAK0709

There were no works undertaken as permitted under Water Licence 2BE-BAK0709 by Tanqueray Resources. Forum Uranium conducted their 2007 field program from our Thom Camp and submitted their annual report in January 2008. While in our camp, Forum abided by the Terms and Conditions of our water licence.

Please do not hesitate to contact me by telephone or email if you have any comments or questions, or require more information. My contact information follows below.

Sincerely,

Linda Falkenberg
