Dear Mr. Holwell, Ms. Payette, Ms. Beaulieu, Ms. Wilman,

**Re: NWB 3BE-BKL0607 Majescor Resources, Exploration - Kivalliq**

NWB land use license application/proposal listed above was reviewed for conformity against the Keewatin Regional Land Use Plan (KRLUP) under the file: INAC N2007J0030 on July 11, 2006. After reviewing the file, NPC finds that the above application/proposal does not require the proponent to agree to terms which were previously agreed to.

Therefore no conformity determination is needed. I have attached those terms in which the proponent undersigned with this letter which the INAC, as a recognized authorizing agency under the *NLCA*, is responsible to implement the attached requirements by incorporating the requirements directly, or otherwise ensuring that they be met through any authorizations issued.

My office would be pleased to discuss these with you how to best implement these requirements and to review any draft authorizations that you wish to provide for that purpose.

Thank You,
