Hi Mathew,

I am with the Government of Nunavut, and I am currently reviewing your water license amendment application for the Baker Lake project. I have one question which I need your clarification.

According to one of the maps submitted (see attached), are all the camps, fuel caches and drilling locations indicated on this map specific to this Baker Lake project? In the application form (see attached), only one camp was discussed (the one at 64'06 N; 97'52 W); however, the map shows 3 camps. Please clarify.

Thank you,

Helen Yeh
