Dear Ms. Beaulieu

**Re: Skybridge Development Corporation. - 2BE-BLU0809 Amendment Application
- Blue Caribou Project**

The KIA has reviewed the Blue Caribou Project water licence amendment application and supplementary documents submitted by Skybridge Development Corp.

KIA finds the amendment application as proposed by the proponent to be acceptable for the most part. However, KIA does not permit any burial of waste on Inuit Owned Land, which includes incinerator ash, as suggested in the A/R plan (6.5 - Waste Facility and Incinerator) submitted by the proponent. The proponent must fly out such waste for proper disposal.

Please contact us if you have any questions.

Sincerely,

Kevin Tweedle
