Subject: Submission of Revised Spill Contingency Plan “Borden Project” under Licence No. 2BE-BOR0813

Dear Ms. Maynes:

The Nunavut Water Board (“NWB”) received from Indicator Minerals Inc., on March 30, 2009 the Plan entitled “Spill Contingency Plan, Borden Project, Borden Peninsula, Nunavut, Indicator Minerals Inc.” amended March 2009.

A review of the Plan determined that it is generally consistent with the applicable terms and conditions in Licence 2BE-BOR0813. Future revision of the Plan, however, should include the following corrections: page 5 should reference Section 7.0 instead of Section 8.0 for details pertaining to the location, description, and contents of spill kits.

Should you have any questions, please contact the undersigned at (867) 360-6338 ext. 25 or by email to sjoseph@nunavutwaterboard.org at your earliest convenience.

Yours truly,
