Hello Jim,

Thank you very much for this report. Unfortunately I have already completed my Inspection Season in that area for this year so I will add this to my 2015 Inspection List for Closure.

Hi Baba

The two piles of lumber have now been cleared from the Booth River area site and I am forwarding a Final Report and photos of "before and after" the last cleanup of the site in August, 2014.

Thank you for your assistance

Regards

Jim Owen
