Dear Mr. Amagoalik;

**RE: LAND USE PERMIT APPLICATION FOR THE ELLESMEERE ISLAND COAL PROJECT, WESTSTAR RESOURCES CORPORATION**

Please find attached the completed copy of the land use application along with a cheque for \$1126.35.00 (\$500 land use application fee, \$100 land use fee, \$500 water application fee and \$26.35 for water use, total of \$1126.35).

This land use permit application is for the exploration of coal including geophysics, sampling, mapping and drilling. A camp location will be selected during the 2009 field program. During community consultations to be held this year, the proposed camp locations will be discussed with the communities and a final location will be confirmed. The coordinates of this location will be submitted to the NWB and to INAC for review, screening and approval at that time.

This package includes:

- Completed land use permit application form
- Supplementary Questionnaire
- 4 maps, general location, permits and claims and area of interest for drilling and camp
- Non-technical summary
- Spill Contingency Plan
- Abandonment and Reclamation Plan
- Fuel Management Plan
- Waste Management Plan
- Hazardous Materials Management Plan
- Wildlife Mitigation and Management Plan
- Cheque for required fees

If you have any further questions or require any additional information, please do not hesitate to contact us at Weststar Resource Corp. (1-866-669-9377) and/or at APEX Geoscience Ltd. (780-439-5380)

Sincerely,

Ryan Grywul
