Re: **Application for Water License Renewal NWB2BRO0405, Brodeur Project, Nunavut**

Dear Phyllis,

Please find enclosed a cheque in the amount of \$30 for 2005 – 2006 water use fees on the Brodeur Project. Also enclosed are three hard copies of supplemental maps for our file. These consist of a zoomed in topographical map of camp location, a topographic map of the camp with project area, and a camp schematic to be included with the spill plan. Note that the camp coordinates are -87 Deg 52' 10.38" 73 Deg 14' 49.38" with water drawn from the creek immediately adjacent to the camp.

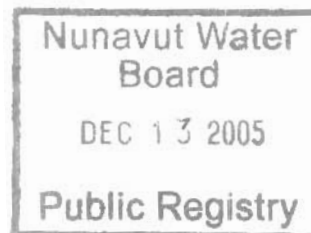

If you have any questions or require any further information, please let me know.

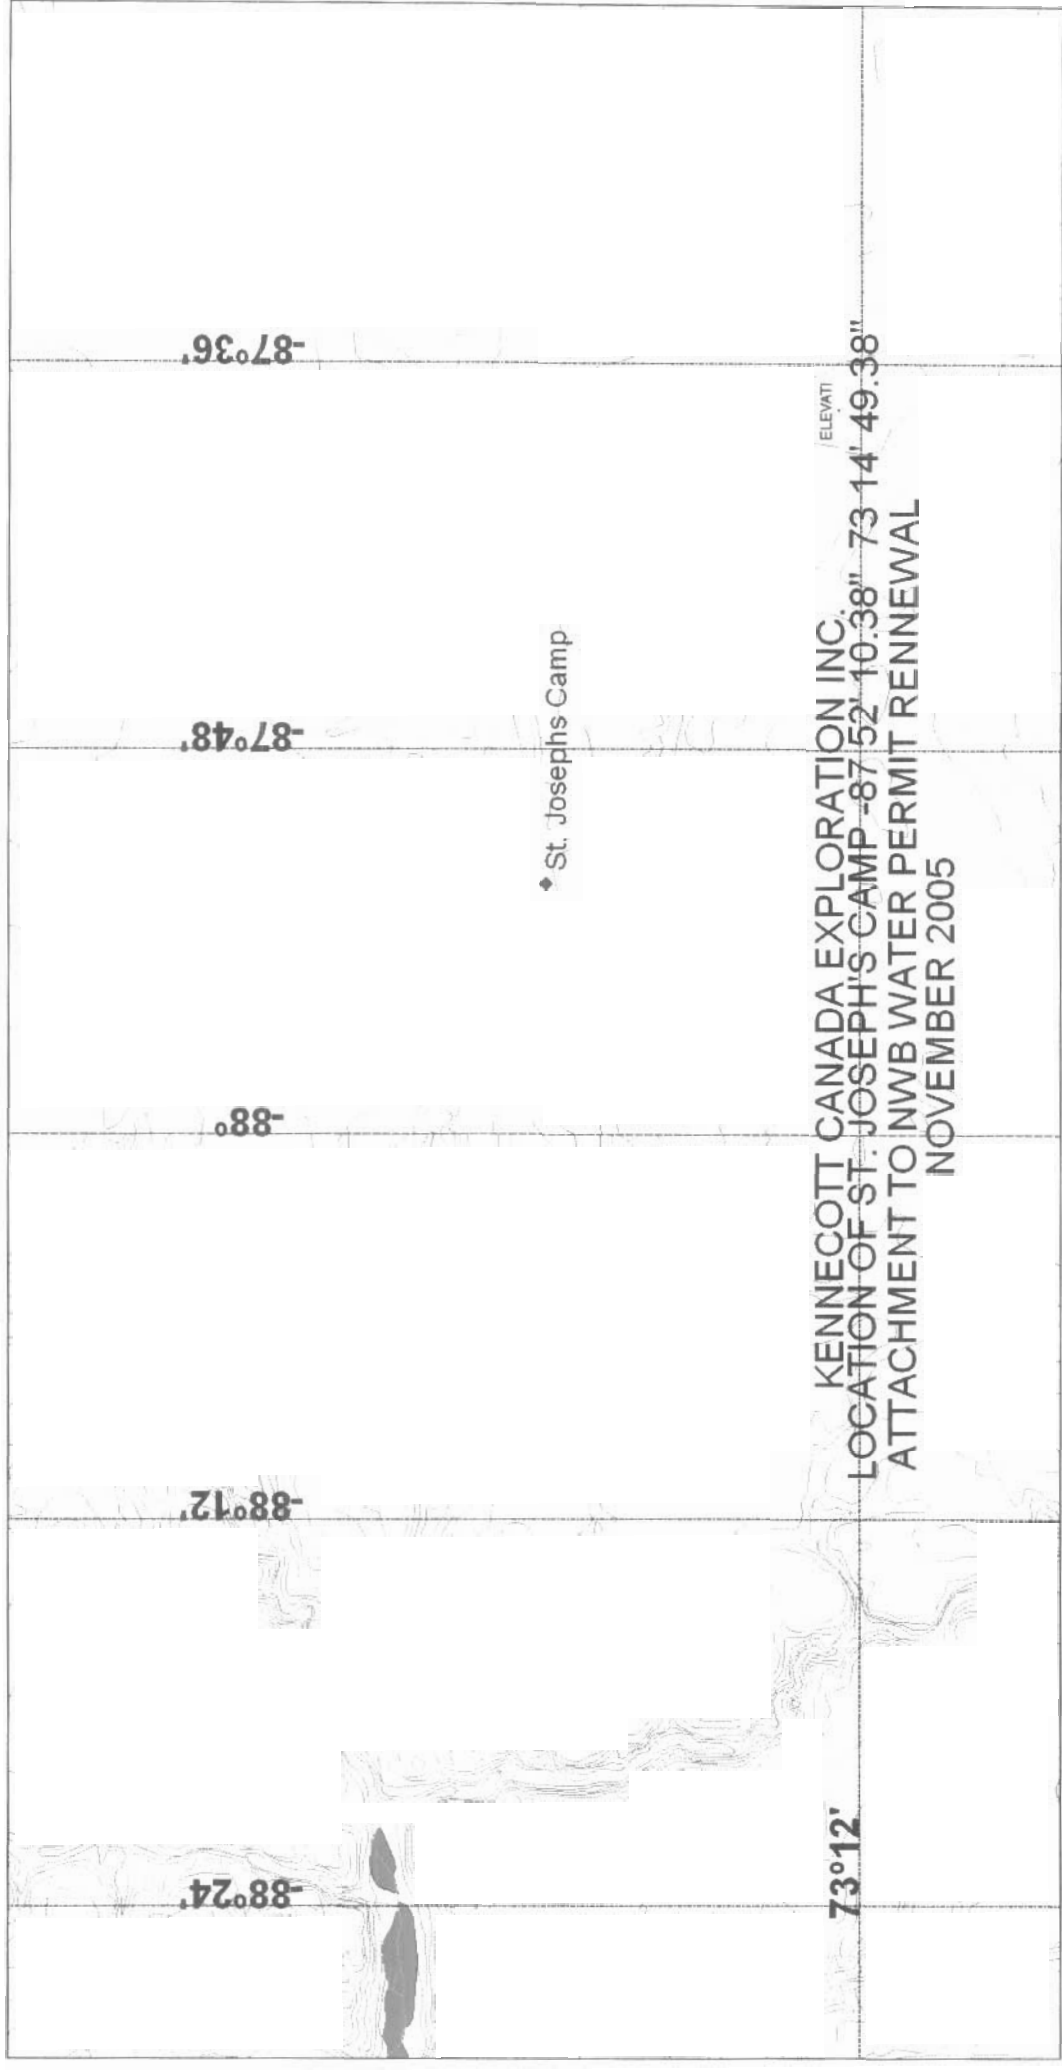

Yours truly,
KENNECOTT CANADA EXPLORATION INC.
