**RE: WATER LICENCE AMENDMENT APPLICATION 2BE-BRO0607 – BRODEUR
PROPERTY, DIAMONDEX RESOURCES LTD.**

Dear Phyllis:

Please accept the enclosed Water Licence amendment application for the continued exploration for diamonds on the Brodeur Property along with the required \$30.00 application fee.

Diamondex is respectfully requesting an amendment to the volume of water currently allowed for drilling from 1 cubic metre per day to 40 cubic metres per day, Section 7 of the Water Licence Amendment Application form, Section 27 of the Supplementary Questionnaire. We recognise that the volume applied for in the original application was miscalculated. The scope of the project has not changed in any way. All previous information provided, reviewed, screened and approved remains the same. Therefore we are submitting this letter and the water licence amendment application.

Please do not hesitate to contact me at (604) 687-6644, email jstritychuk@diamondex.net, if you have any comments or questions, or require more information.

Sincerely,
DIAMONDEX RESOURCES LTD.

Janet Stritychuk
Land Manager
