Subject: Diamondex Resources Ltd. Request for a 5 year License Renewal and Amendment (2BE-BRO0607)

Good Afternoon Richard,

Following our email this morning and your suggestion last week, I would like to submit a request on behalf of Diamondex Resources Ltd. to have its Nunavut Water Board License Renewal and Amendment (2BE-BRO0607) considered for a five (5) year period as opposed to a one (1) year period.

Please advise me of the fee required for the five year period and I will forward it to you promptly.

Thank you for your assistance.

Sincerely,

Anne Bordeleau
Field Operations Manager
Diamondex Resources Ltd.
