Rita Becker  
Licence Administrator  
Nunavut Water Board  
P.O. Box 119  
Gjoa Haven, NT X0E 1J0

Dear Mr. Becker:

RE: Application for Water Licence  
File No: NWB2BRO, Brodeur Project

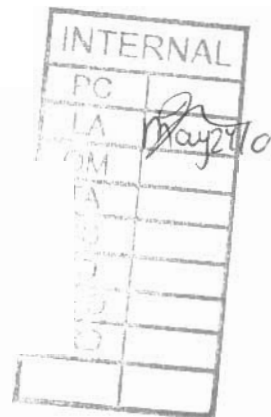

The Water Resources Division has reviewed the above-mentioned application for the Brodeur Project. Due to the scale and nature of the project, there is no water licence requirement under the NWT Waters Act.

The water-related aspects of this project have been well addressed by the provisions made in this application and accompanying project overview. Additional concerns pertaining to issues such as waste management will be addressed by the land use permit issued to the proponent by DIAND and/or the Regional Inuit Association.

If you have any questions, please do not hesitate to contact me at (867) 975-4548.

Yours truly,

Michelle Johnson
