Re: Twin Mining Water License Renewal NWB2BRO0203– Brodeur Peninsula, Nunavut

Dear Rita:

We wish to advise you that Kennecott Canada Exploration Inc. did not proceed with any water use under the above noted license (no exploration work was undertaken) and we have no future plans for water use as proposed in the renewal application (File #: NWB2JAC0203) submitted by Twin Mining in April 2004.

If you have any questions or require any further information, please let me know.

Yours truly,
KENNECOTT CANADA EXPLORATION INC.
