Good day Mike et al, after speaking with you yesterday Mike, I have reviewed the file and provide the following status:

1. The application for cancellation was received on September 5, 2013
2. On September 13, 2013 the file was distributed for comments.
3. Comments were received from KIA, AANDC and EC (copies attached)
4. In particular, please review the comments received from AANDC and provide necessary responses to the issues raised.
5. Our office will move forward on the file once all issues have been resolved and a final AANDC inspection has been completed including confirmation from a Water Resources Inspector that we may cancel the Water Licence.

Below is the link to the inspection folder on our ftp site. Please also review the documents contained within: When prompted, the USERNAME is public and the PASSWORD is registry
