Re: Assignment of License NWB2CAN0406
CC: Jack Kaniak – Lands Manager

Dear Phyllis,

KIA has received and reviewed the application from Strongbow Exploration Inc. for the assignment of NWB2CAN0406 to Allyn Resources Inc.

The KIA Lands Department received a letter from Strongbow dated April 22, 2005 applying to assign their IOL license KTL304C005 (expiry date May 31st, 2006) to Allyn Resources Inc.. Allyn Resources Inc. is required to notify the KIA Lands Office in order for Strongbow to assign their IOL license KTL304C005. To date, this office has not received any communication from Allyn Resources related to this matter. Therefore, the above captioned Water License assignment will not be in effect for accessing IOL until we have Allyn Resources written acceptance of all liabilities under License KTL304C005 and fees paid.

If you have any questions please contact Jack Kaniak or myself at 867-982-3310.

Sincerely,

Lynn C.
