**Re: 2BE-CAN0406 (previously NWB2CAN0406) -Strongbow Exploration Inc.-  
Canoe Lake Project - 2005 Annual Report Review**

On behalf of the Department of Indian Affairs and Northern Development (DIAND), I have reviewed the 2005 Annual Report, submitted by Strongbow Exploration Inc. with respect to the Canoe Lake Project. The 2005 Annual Report has been reviewed with respect to License NWB2CAN0406.

Part B Item 1v requires that the GPS coordinates of all locations where wastes associated with camp and/or drilling operations are deposited. Though waste deposits are mentioned in the 2005 Annual Report, the GPS coordinates of their locations were not included.

Also, the proponent should update their Spill Contingency Plan to include Mr. Peter Kusugak, (867) 975-4295 as the INAC contact.

Should you have any questions or comments, please do not hesitate to contact me at (867) 975-4548 or by email at [BathoryS@ainc-ianc.gc.ca](mailto:BathoryS@ainc-ianc.gc.ca).

Sincerely,
