Dear Phyllis,

On March 14, 2011, the NIRB received a referral to screen Shear Diamonds Corp.'s "Carat Property Exploration" project proposal from the Kitikmeot Inuit Association (KIA), and commenced screening of the project proposal as per Section 12.4 of the NLCA (NIRB File 11EN009). The proposed project has been sent out to all interested parties with comments due on April 19, 2011. At the conclusion of the NIRB's screening of this project proposal, the Board will report its recommendations to NWB, KIA and INAC. No approvals associated with this proposal are to be issued prior to the authorizing agencies receiving the Board's report, pursuant to Section 12.10.1 of the NLCA.

If you have any questions or require further clarification, please contact me directly at 867-793-4633.

Regards,
