**Amendment Request:**  
**Type B Water Licence #2BE-CHI0813**  
**For Chidliak Project, Baffin, NU**

Please accept this letter and the accompanying "Project Description for Amendment" as a formal request by Peregrine Diamonds Ltd. (Peregrine) to amend our existing Nunavut Water Board Water Licence #2BE-CHI0813 by addition of six additional components. Peregrine also is seeking permission from Indian and Northern Affairs Canada to amend its existing Class A Land-Use Permit #N2008C0005 in respect of components (1) through (5) below. This amendment is being submitted in one hard copy and one digital copy.

The six new components discussed in the amendment request are: (1) a second field camp on a lake of suitable size and depth to accommodate aircraft landings in winter conditions; (2) trenching at seven locations within a known kimberlite with surface expression; (3) conveying a piece of heavy equipment to camp for stripping overburden, possibly hammering sample, excavating, loading, airstrip clearing, etc.; (4) blasting to break up rock in trenches; (5) drilling from ice (seven lake-based targets in 2009) and using lake ice as a landing strip; and (6) increase in the water-use allotment from 60 m<sup>3</sup> to 95 m<sup>3</sup> to allow for the increased activity.

The items comprising this submission are as follows: <sup>(1)</sup> an English-language Summary of the Project Description; <sup>(2)</sup> an Inuktitut Summary; <sup>(3)</sup> a Project Description accompanied by a series of maps (Maps 1, 2, 3, 4, 4a, 4b), drawings (Drawing 1 and Drawing 2), photos (Photos 1, 2 and 3) and an equipment Specifications Sheet; and <sup>(4)</sup> a revised Abandonment and Restoration Plan.

Thank you for the opportunity to make this submission. Please contact me if you have any questions, or require extra copies or re-transmissions.
