Subject: RE: Request to Reconfirm Existing Conformity Check for Peregrine South Baffin Projects

Good morning Ms. Standafer-Pfister,

RE: Request to Reconfirm Existing Conformity Check for Peregrine South Baffin Projects

Mr. Aglukark, Director Implementation, forwarded your request on to me for response.

Based on the information contained in your email below and in attachment "Baffin Tour-Presentation-MAP-S Baffin Projects-2012", NPC has determined that the proposed projects as described are located outside the boundaries of the Keewatin Regional Land Use Plan and the North Baffin Regional Land Use Plan.

No further review is required by the NPC at this time.

Please contact me should you have any questions.

Sincerely,

Christopher

Subject: Request to Reconfirm Existing Conformity Check for Peregrine South Baffin Projects

Greetings, Brian,

Between this summer and autumn 2012, Peregrine will be seeking new authorisations to work on its existing 3 exploration properties in the South Baffin – *Chidliak Project* (Hall Peninsula), *Qilaq Project* (adjoining the Chidliak Project on the Hall Peninsula) and the *Cumberland Project* (on the Cumberland Peninsula.) Because we last communicated on this subject in March 2011, I have attached here a map slide which depicts the South Baffin locations of the properties.

Chidliak Project - #N2008C0005 (Land-Use Permit) and #2BE-CHIOB13 (Water Licence):

Peregrine is seeking a new land-use permit and water licence this summer – ahead of the expiry of these authorisations in 2013. Therefore, it is now time for me to reconfirm with you and NPC that a conformity determination is not required for the ongoing Chidliak Project on South Baffin Island.

Qilaq Project - #Q10L1C008 (QIA Land Licence I, which also allows exploration on adjoining Chidliak surface IOLs) and Cumberland Project - #Q10L1C014 (QIA Land Licence I):

Peregrine also will be seeking new land licences this year to replace these 2 QIA authorisations which expire in 2013. Therefore, it is now time for me to reconfirm with you and NPC that a conformity determination is not required for the ongoing Qilaq and Cumberland Projects on South Baffin Island.

Best regards, and thank you as always for your kind assistance, — ssp
