Subject: 2BE-CHI0813 Request for Extension to Comments
Date: Monday, November 21, 2011 9:00:00 AM

Good morning Shirley, on November 14, 2011, Jean Daniel Blouin of GN requested an extension to the deadline for comments on the above file until November 25, 2011. Due to the fact that NIRB are still screening this project with their deadline indicated as November 24th I respectfully request that this extension be granted. Please provide a response back to the NWB with a cc to Jean.

Thank you.

Regards,
