Good afternoon;

Please accept this email as a confirmation that the above noted project proposal falls outside the approved land use planning regions of both the North Baffin and Keewatin Regional Land Use Plans, therefore a conformity determination will not be required.

Any questions concerns, please do not hesitate.

Brian

Greetings, Richard,

I spoke on the phone today with Mr. Aglukark, Director-Regional Planning, NPC. Mr. Aglukark indicated that he would correspond with you directly, as there is no Regional Land-Use Plan in effect for the South Baffin region where our Chidliak Project is located, and thus no NPC Conformity check should be required for the Chidliak amendment.

If you or Mr. Aglukark require any further information from me in respect of our water-licence amendment request,
