Subject: Request to Reconfirm Existing Conformity Check for Chidliak Project

Greetings, Brian,

Peregrine is planning to add a third camp on Crown Land in the north of Chidliak Project (*see attached property map with approximate location of proposed new camp*). This camp is within the existing project area already reviewed by NPC. I need to reconfirm with NPC that a conformity determination is not required for Peregrine projects under way on the Hall Peninsula, South Baffin Island.

The authorisations we hold for the Chidliak Project are: #N2008C0005 (land-use permit) and #2BE-CHI0813.

Best regards, and thank you for your assistance,
