Hi Phyllis and Ida,

We just were looking at the notice the water board sent out earlier today for the Chidliak project and we noted that you indicate that the NWB has a NIRB decision on file for this project as of Oct 12, 2011.

We would like to clarify that we are just commencing screening the project and do not anticipate being complete until around November 28, 2011.

We will be including you in a forthcoming email regarding the Notice of Part 4 for the Bulk Sample to occur on the Chidliak project in the next day or so.

Thank you  
Kelli
