**RE: Submission of 2009 Annual Report and Revised Spill Contingency Plan – Chidliak & Oilag Projects, Licence No. 2BE-CHI0813, Type “B”**

Dear Ms. Standafer-Pfister:

The Nunavut Water Board (“NWB”) received on January 26, 2010, the 2009 Annual Report required under Part B, Item 2 of the terms and conditions of Licence No. 2BE-CHI0813 and on July 14, 2010, a Revised Spill Contingency Plan dated May 7, 2010, for the above-mentioned projects. On January 27, 2010 and on August 3, 2010, the NWB acknowledged receipt of the respective documents and distributed to interested parties for information.

Staff conducted technical reviews on the Annual Report and Revised Spill Plan determined that both documents are acceptable and consistent with the terms and conditions in Licence.

Should you have any questions, please contact the undersigned at 867-360-6338 ext. 25 or by email at [sjoseph@nunavutwaterboard.org](mailto:sjoseph@nunavutwaterboard.org).

Yours truly,
