Dear Mr. Monteith & Mr. Dwyer:

RE: PEREGRINE WATER LICENSE 2BE-CHI2333 – CONDITION TO SUBMIT WATER SOURCE COORDINATES

On May 18, 2023 Peregrine Diamonds was issued a Type B water license renewal (2BE-CHI2333). The licence expires on May 31, 2033. Condition part C item 5 of the licence requires the license holder to submit coordinates of water sources utilized.

This document serves to fulfill the requirements of the described condition. In addition to the water sources previously submitted an additional water source will be utilized at CH-6 camp for domestic and drill purposes. Please be advised that the following local water sources will be used for the program.

Location	Purpose	Datum	Latitude (y)	Longitude (x)
Discovery Camp	Domestic	WGS84	64° 14' 24.00"N	66° 20' 41.94"W
CH-6	Drill	WGS84	64° 19' 19.46"N	66° 31' 44.75"W
CH-6	Domestic/ Additional Drill Water	WGS84	64° 18' 24.11"N	66° 29' 00.01"W

Additional water sources within this radius may be used as the project progresses. We will advise you of these coordinates as the project advances.

If you have any questions on this matter please contact me by telephone at (249)-377-4445 or by email chad.corson@debeersgroup.com.
