Subject: Licence No. 2BE-CHI0813 “Chidliak Project” Qikiqtani Region, Nunavut – Peregrine Diamonds Ltd.; Submission of the Trenching Plan

Dear Mr. Willis:

The Nunavut Water Board (“NWB”) has completed a technical review of the Trenching Plan for the above-mentioned project, which was received on December 7, 2012 as a requirement of Part F, Item 10 of water licence 2BE-CHI0813.

The submission is available on the NWB’s ftp-site at the following link:
[ftp://nunavutwaterboard.org/1%20PRUC/2%20MINING%20MILLING/2B/2BE%20-%20Exploration/2BE-CHI0813%20Peregrine/3%20TECH/11%20DRILLING%20\(F\)](ftp://nunavutwaterboard.org/1%20PRUC/2%20MINING%20MILLING/2B/2BE%20-%20Exploration/2BE-CHI0813%20Peregrine/3%20TECH/11%20DRILLING%20(F))

The Trenching Plan was distributed for fifteen (15) day comment period on January 8, 2013, and comments were received from Aboriginal Affairs and Northern development Canada (AANDC) on January 23, 2013 that expressed no concerns with the planned activities.

NWB technical review determined that the Plan fulfills the requirements of Part F, Item 10 of Licence 2BE-CHI0813. The NWB has, therefore, approved the plan through Board Motion No. 2012-B1-015, dated January 28, 2013.

Should you have any questions, please feel free to contact the undersigned at 867-360-6338 ext. 30 or by email at k.kharatyan@nunavutwaterboard.org.

Yours truly,
