**RE: NWB Technical Review of 2018 Spill Plan Addendum for the Chidliak Project;  
Water Licence No. 2BE-CHI1823**

---

Dear Mr. Willis:

Upon review of our records, the Nunavut Water Board (NWB) has discovered that it completed a technical review on May 14, 2018 of the 2018 Spill Plan Addendum submitted to the NWB on May 9, 2018. On May 9 2018, the NWB acknowledged receipt of the Spill Plan Addendum and provided it to the Qikiqtani distribution list for information. No comments have been received to date.

The technical review of Spill Plan Addendum found that the information addresses the requirements of the Licence. The NWB acknowledges the Licensee addressing the concerns raised by interested parties during the Licence Renewal review process.

Should you have any questions, please feel free to contact me, Dave Baines, at (867) 360-6338 (extension 29), at your earliest convenience.

Sincerely,

---

Dave Baines
