**RE: NWB Technical Review of 2017 Annual Report for the Chidliak Project; Water Licence No. 2BE-CHI1823**

---

Dear Mr. Willis:

The Nunavut Water Board (NWB) has completed a technical review of the 2017 Annual Report.

On May 23, 2018, the NWB acknowledged receipt of the Annual Report and provided it to Qikiqtani distribution list for information. No comments have been received to date.

The technical review of the Annual Report found that the information addresses the requirements of the Licence.

The NWB strongly recommends that the Licensee address issues identified in 2017 by the Inspector<sup>1</sup>. Please provide a brief summary of work done to address concerns or deficiencies listed in the inspection reports and/or compliance reports prepared by an Inspector or other parties in the 2018 Annual Report.

<sup>1</sup> Indigenous and Northern Affairs Canada (INAC) Inspection Report, September 25, 2018.

Should you have any questions, please feel free to contact me, Dave Baines, at (867) 360-6338 (extension 29), at your earliest convenience.

Sincerely,

---

Dave Baines
