Subject: RE: Application and water use fees for NWB2CHU0508 - Reply

Dear Phyllis

Hope all is well in GH!! I am emailing to reply to the email below. We have checked our records and we have a cashed cheque here (dated March 2005 but cashed late May 2005) for the \$30 water fees in regards to the NWL listed above - please see attached pdf. Can you confirm that this has been tagged for our file and located? Please call if we still require to make this payment or if all is in order.

Cheers

Pam

Please be advised that we have not received the \$30.00 water use fee for the period June 2004 to June 2005. Also required is a water use fee for the June 2005 to June 2006 period. Please reference the Northern Inland Waters Regulations which became effective January 1, 2004. Here is our ftp link to the regulation:
