RE: REQUEST FOR EXTENSION - KVL302B265, KVRW03F286

Please accept this as a request to extend our currently active Class 3 landuse licence (KVL302B265) and Right-of-Way licence (KVRW03F286) until November 2005. Attached is a cheque for the necessary fees (\$1150). The revised summary (English version) for the 2004 program is also included; the Inuktituk version will be forwarded as soon as we receive it from the translators. We will be sending you the necessary details of our work for next year as soon as these plans are finalized. Please contact me at the above numbers should there be any further questions, comments or further requested information. Thank you in advance.

Sincerely,

Pamela Strand

**RE: REQUEST FOR LAND USE PERMIT - Churchill West
Diamond Property, Nunavut**

Please accept the completed application form and necessary attachments for a Land use licence III. Attached is a cheque for the necessary fees (\$600.00). The application is being made under the company name 4579 Nunavut Limited, a company wholly owned by Shear Minerals Ltd. to conduct exploration in Nunavut. The summary is currently being translated into Inuktituk, thus, we will forward the translated version to you as soon as we receive it. The English version is included with this form. Furthermore, we will be sending you the necessary details of our work for next year as soon as these plans are finalized. Please contact me at the above numbers should there be any further questions, comments or further requested information. Thank you in advance.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Strand".
