Re: Application exempt from Screening pursuant to NLCA Schedule 12-1: Tundra Copper Corp.'s "Coppermine" project application

Dear Phyllis Beaulieu:

On July 22, 2014 the Nunavut Impact Review Board (NIRB) received an application from your office for Tundra Copper Corp.'s "Coppermine" project proposal. The NIRB has determined that this project proposal is exempt from screening pursuant to item 5 of Schedule 12-1 of the Nunavut Land Claims Agreement (NLCA), *Types of Project Proposals Exempt from Screening*:

NLCA Schedule 12-1 (5):

"Water uses that do not require a public hearing under Section 13.7.3."

As this project proposal is exempt from the requirement for Screening by the NIRB, authorizations associated with this proposal may be processed by your office.

If you have any questions or require additional clarification, please contact the undersigned directly at info@nirb.ca or (867) 983-4612.

Sincerely,

A handwritten signature in black ink that reads "Natasha Lear". The script is cursive and fluid.

Natasha Lear
Environmental Administrator
Nunavut Impact Review Board
