Further to my recent email, please be advised that fees are required to be submitted prior to issue of any approval. Amount owing is as follows: \$30.00 administration fee and \$186.15 for water use fee as per the attached, for a total amount owing of \$216.15. Fees can be paid by cheque made payable to Receiver General for Canada, by Visa, or by money order.

I note that there is a copy of a scanned cheque which I'm assuming is in the mail. The payments, once received will be for the admin fee and a water use fee deposit. The remaining amount of \$156.15 for water use will be required.
