Hello Lee Ann, Jessica and Richard:

It is David Willis wearing my other hat and working on behalf of Kaizen Discovery Inc. and its wholly owned subsidiary Tundra Copper Corp.

I will no longer be handling the Coppermine Project files for Kaizen Discovery / Tundra Copper Corp.

This applies specifically to:

- INAC Class "A" Land Use Permit N2015C0009
- NWB Water Use Licence 2BE-COP1416
- NIRB File #15EN009
- Prospecting Licence 13895
- Applicable Mineral Claims (Total = 152)
- Applicable Prospecting Permits (Total = 11)

The new contact person is Mark Gibson, Chief Operating Officer. His contact information is below.
