Dear Erik and Phyllis:

Please find attached the documentation I have prepared for a Water License for Tundra Copper Corp. I will be sending by courier a duplicate hard copy set of all the digital documents in this attachment. I have included a scan of the cheque written for this application so that you can proceed.

Can you please let me know as soon as possible if a Nunavut Impact Review Board review needs to be done?

Missing is the project summary translated into Inuktitut and/or Inuinnaqtun; can you please let me know where I could send this to be translated? If there are any deficiencies, please contact me by this email address or by cell telephone number [778-212-1950](tel:778-212-1950).

Thank you,

Best regards,

Donald Penner, P.Geo.
