Hi David,

Please find attached a copy of the comments from INAC Water Resources Division regarding the above-mentioned application for the Coppermine Project.

It is advisable that Kaizen Discovery provide, for the Board's consideration, responses to INAC Water Resources Division's attached comments as well as INAC's Field Operations Division's Inspection Report, dated August 13, 2016.

If you have any question, please contact me at your earliest convenience.

Regards,
Sean Joseph
Senior Technical Advisor, NWB
