**Re: 2BE-COR0608 (previously NWB2COR0608) - Stornoway Ventures -
Coronation Gulf Project - 2005 Annual Report Review**

On behalf of the Department of Indian Affairs and Northern Development (DIAND), I have reviewed the 2005 Annual Report, submitted by Stornoway Ventures. with respect to the Coronation Gulf Project.

As Stornoway Ventures did not establish any camps during the 2005 exploration season and water was not consumed or waste disposed into water on-site, DIAND has no issues with the 2005 Annual Report.

Also, the proponent should updated their Spill Contingency Plan to include Mr. Peter Kusugak, (867) 975-4295 as their INAC contact.

Should you have any questions or comments, please do not hesitate to contact me at (867) 975-4548 or by email at BathoryS@ainc-ianc.gc.ca.

Sincerely,
