Hi Robert,

ECCC will not be providing comments at this time for this application. If/when the project moves beyond the small scale exploration stage, we would be pleased to take another look.

Thanks for checking to confirm with us!

Good afternoon,

The Nunavut Water Board would like to confirm if ECCC will be providing comments for this application? The deadline for submissions was **April 28, 2023**. As the Nunavut Water Board only received comments from CIRNAC, we would like to confirm if ECCC will be providing comments as well?

Please let me know if you have any questions or concerns.

Regards,

Robert Hunter

Licensing Administrator
